Parent volunteers are vital in the operation of EVTC. In order for the club to provide the opportunities and experiences that you want for your child you need to become involved.

One of the most important events of the track season is the EVTC sponsored Developmental Meet – held on June 14th at Silke Field in Springfield. In order to have a successful meet, we need to have over 50 volunteers. Each family is expected to provide at least one volunteer. More information will follow as the date of the meet approaches.
